BRIDGING THEORY AND PRACTICE

ADVANCING MULTIDISCIPLINARY KNOWLEDGE THROUGH RESEARCH

ABOUT THE CONFERENCE

IJFRICON 2025 – International Conference on Scholarly Innovation and Multidisciplinary Research is a flagship academic initiative by the International Journal of Future Research and Innovation (IJFRI) and Metvance Global Solutions LLP.

This virtual conference brings together global scholars, researchers, and professionals to share knowledge, collaborate, and publish research that bridges theory with real-world practice. The aim is to foster interdisciplinary dialogue and promote innovation across academic and applied domains.
